

Prosealer A

In/Outdoors Acrylic Polymer Sealer with Special Additives

Description	Prosealer A is an acrylic emulsion sealer for concrete, plaster, brick stones and masonry. Used as a primer before emulsion paints to give a very good bonding force properties and decreases the consumption of paints and putties.
Where to use	It is designed to be used on masonry , concrete, plaster ,gypsum and wood
Advantages	<ul style="list-style-type: none"> • So easy to apply. • Excellent sealing properties. • Excellent chemical and weather resistance. • Gives a flexible coat with very good bonding force properties. • Decreases the consumption of paints and putties. • Excellent carbonation shielding. • Very good bonding force properties for loose particles. • Non-yellowing .
Properties	
Density	1.02 Kg/liter
Appearance	Semi glossy
Solid content by volume	15 %
Pot life @ 23 °C	2 Hours
Dry to recoat	2 Hours
Fully cured	7 days
Surface Preparation	Surface must be dry, clean, free from dust, dirt, oil and wax.
Mixing	Water must be added to Prosealer A by ratio 1:1 spray.
Application	<ul style="list-style-type: none"> • Apply with brush, roll or low pressure spray. • Number of coats depend on surface porosity. • Two thin coats are recommended than one heavy coat.
Cleaning	<ul style="list-style-type: none"> • Tools must be cleaned with water immediately after use.
Theoretical Coverage	<ul style="list-style-type: none"> • Kg/ 7 - 10 m² according to surface porosity. • No of coats: 1 coat as a primer. • 3 coats as a finish coat
Packaging	5 & 20 Kg Pails
Shelf life & Storage	Prosealer A has a 12 months self-life at recommended conditions store.
Health and Safety	<ul style="list-style-type: none"> • This product is of low toxicity but normal precautions should be observed. • Wear gloves, and if working overhead or spraying, wear goggles. • Wash off any skin splashes with soap and water. • Eye contamination should be treated by irrigating the eye with an eye bathing solution. • Ensure adequate ventilation in confined spaces and use breathing aids.
